# The Power of the ACT and SAT in Oklahoma

Scholarships are listed by the ACT score required on the college website with the comparable SAT score included. Check the individual school's website to verify that your SAT score will qualify for any specific award as some requirements may vary slightly.

The dollar amount in each box in the chart represents the tuition cost after merit-based scholarships that a student with the given test score (listed across the top of each table) would pay for one year of tuition (15 credits per semester) at that college. (Reminder: non-tuition costs, including fees, housing, meals, and books, often add up to an additional ~\$12,000 per year.)

- 1000 Blue boxes signify automatic scholarships (as listed on the college's website). Automatic awards often also require a minimum GPA or class rank.
- 1000 Light gray boxes signify awards require a separate application or special consideration of some kind. (This is only shown if no automatic award exists.)
- Blank boxes signify there is no merit-based scholarship based primarily on that SAT/ACT score at this college; therefore, the student might expect to pay full tuition. The student should still apply for other merit-based and need-based scholarships.

If an entire row is blank, the school does not organize its scholarships by test score or does not provide this specific type of information on its website. An asterisk \* indicates fees are included in the school's base tuition price. Textbooks, housing, and meals are generally not included. If a school offers a non-renewable award, the total award amount is averaged throughout the years of attendance. (For example, if a four-year school offers a one-year award of \$500, the number shown is \$125 less than total tuition, as the scholarship is divided by 4.)

Figures are current as of May 2020.

# Your College Preparation Strategies

## Test Scores

Take the ACT or SAT four times to get the highest score possible. (Free & Reduced Lunch students get 4 free ACTs & 2 free SATs.) Colleges only consider your highest composite score.

## Apply

Create more competition for yourself and earn more generous scholarships by applying to at least seven four-year schools. If you are only considering two-year colleges, apply to at least two schools.

## Finish Strong

Maintain a high GPA. Most academic scholarships consider both GPA and test scores. Excel in at least one extracurricular activity.
