

A Homeschooler's Senior Year Checklist

FALL

- Review state graduation requirements one more time and do a senior credit check.
- Check the requirements of the college(s) your student is looking to attend.
- Take at least two ACTs or SATs this fall.
- Finalize your college list.
- Research financial aid and complete the FAFSA on or soon after October 1.
- Start writing college essays and asking for recommendation letters.
- Market your extracurricular skill in a 90-second video.
- Start early on your applications for colleges.

WINTER

- Research local and national private scholarships.
- Send updated transcripts to colleges where you have open applications.

SPRING

- Register for summer camps and programs that match your interests.
- Learn how to decipher and compare your financial aid offers.
- Make your decision and complete all enrollment paperwork.
- Upload final transcripts and send them to your final college choice.
